

## **Stephen Ministry Workshop for Adults!** **St. Elmo Presbyterian and other churches invited**

Want to learn to care for people who are grieving and reach out to others in a distinctively Christian way?

On Saturday, March 4, our congregation will host a Stephen Ministry Introductory Workshop from 9:00am to 1:00pm. The

half-day workshop is designed both to enhance participants' caregiving skills and to help other congregations explore ways to expand their caring ministry. Registration begins at 8:00am, and refreshments will be served.

Since we began Stephen Ministry in 2014, 11 laypeople have gone through 50 hours each of training in order to provide quality one-to-one Christian care to hurting people. If you think you might be interested in being a Stephen Minister, attending the workshop is a great way to learn more.

Members of St. Elmo Presbyterian Church are invited to attend the workshop *free of charge!* If you would like to attend, please contact Jeannie Manley. Don't miss out on this wonderful opportunity for personal growth and to learn more about Stephen Ministry.
