

***Tithes and Offerings (4 options) During COVID-19**

1. This option works really well: Send a check to the church at the church's street address **4400 St. Elmo Ave, Chattanooga, TN 37409**. Please address the envelope to St Elmo Presbyterian Church **ATTN: bookkeeping**.

This will ensure privacy and security, as these envelopes will be stored securely and dealt with according to our accounting policies ensuring proper handling. The church mailbox has a lock on it.

2. Another option that works really well is to set up a "bill pay" check through **your bank's website**. Most banks have a bill pay feature where you can log into your account online, find the bill-pay feature, add the church as a payee using the church's street address, and then schedule one-time or recurring payments to be sent to the church. You may need the church phone number for this when you set up the account: 423-821-1424. If it asks for an account #, use: Offering, Deacon's Fund, General Fund, or something similar.

3. If one of these options does not work well for you, another option for making a donation to the church is online through the church's Square account. The link to this, found in the FAQ section of the church website, is

<https://st-elmo-presbyterian-church.square.site>.

When you get to this page, *remember to scroll down*. There are many options. We are glad to receive donations in this way if it is the best option for you. If mailing a check or bank bill pay work for you, those two methods are preferred for us, for the sake of avoiding processing fees, and due to the advantage of less complicated processing for bookkeeping.

4. Write your check and drop it off at church during the week. But call/text first to make sure we are here.

If you have any questions, feel free to e-mail Mark Slavovsky at msslavovsky@gmail.com.

Thank you all for your faithful financial support of the church. Mark
